Public Health Education and Promotion
Minor

College of Education and Human Service Professions

Why UMD

Students with other majors who have a strong interest in health education and promotion may choose to complete the minor in health education with focus on health promotion. The coursework covers health content and health education/promotion program planning that would be applicable to various employment settings.

Sample Courses:

• Health and Wellness Strategies for Life Conducting and Managing Worksite Health
• Promotion Programs
• Facilitating Healthy Lifestyle Change
