In the Master of Music program at UMD, you'll learn from world-renowned faculty artists, performers and scholars. Graduate Studies in Music at UMD connects your academic training and the professional world. There are four distinct programs:

- Music Education
- Music Performance
- Collaborative Piano
- Conducting

**Why UMD**

Led by vibrant faculty artists who have achieved success at the highest levels and on the world’s largest stages, these fast-growing programs, provide advanced music students with the training and professional opportunities they need to find their place in the professional world.

**Career Possibilities**

To find out what our recent graduates are doing, see the Career and Internship Services Report: Follow-up of Majors

**Requirements**

In addition to the general application instructions provided by the Graduate School, visit the Music program page for specific application instructions and deadlines related to the program. Also visit the catalog.
