Want to change the world? Can’t do it without understanding multiple perspectives: global, cultural, national …

So you think you have issues? Now think about the challenges and opportunities for the global community or even different regions of the world.

**Why UMD**

Flexibility to choose your own focus from a long list of electives, covering many different disciplines, including Anthropology, Art History, Communications, Political Science…

Numerous short-term study abroad program opportunities through CLA and other College departments.

INTS faculty who are known internationally, leaders in their fields, and who care about students.

**Acquired Skills**

Ability to achieve mutually acceptable solutions by understanding issues from a variety of perspectives.

Being a Leader. Harness the power of your own mind through analysis and logic, synthesizing and applying information, and innovation of thought. Know what will work, where and why.

Communicating your ideas successfully to an audience of untold perspectives.

**Scholarships**

The Alta Marie Oben Scholarship

We share several scholarships with Political Science for those students seeking to attend law school.

**What you can do with this degree?**

Every career requires a knowledge of world affairs. Our majors have become members of NGOs, community advocates, community organizers, corporate trainers, business developers, and operations coordinators all of which are in the US and abroad. Our majors are also English teachers abroad, lawyers, graduate students in a number of disciplines, and have followed careers in the military and in government.
