## NOTES

- Different prefix designators are needed to fulfill the 2 course requirements in the natural sciences, humanities, and social sciences; 1 of natural sciences needs to have a lab
- See the catalog listing of degree requirements for additional course options; this plan is an example
- If interested in international experiences, check with your advisor
- Your electives can be directed toward a minor or a double major; see your advisor

Questions: [ammiller@d.umn.edu](mailto:ammiller@d.umn.edu) or [jernst@d.umn.edu](mailto:jernst@d.umn.edu)

College of Education and Human Service Professions UMD

# COMPLEMENTARY PROGRAMS

## Majors
